

CARERS CHARTER

The SA Carers Charter aims to ensure that Carers have the same rights, choices and opportunities as other South Australians.

The Charter's Seven Key Principles are:

1. Carers have choices within their caring role.
2. Carers' health and wellbeing is critical to the community.
3. Carers play a critical role in maintaining the fabric of society.
4. Service providers work in partnership with Carers.
5. Carers in Aboriginal and Torres Strait Islander communities need specific consideration.
6. All children and young people have the right to enjoy life and reach their potential.
7. Resources are available to provide timely, appropriate and adequate assistance to Carers.
